THE ESSENCE OF PHOTOGRAPHY

Photography is more than just the photos. Even without a description, photos allow for creative storytelling from personal perspectives. Each camera I own offers unique advantages, allowing me to experiment and hone my skills.

SKILLS ACQUIRED

TECHNICAL
Composition, exposure,
lighting, etc.

POST-PROCESS
Adobe Lightroom and
Photoshop

Beyond technical
skills, photography
has taught me
patience, attention to
detail, and creativity.

THE IMPACT

My specialty in portrait photography creates lasting memories for individuals and families. Using Pinterest over the course of a few weeks, creating "pins" has showcased my diverse range of photography and inspired a larger community of photographers and potential clients.

CONCLUSION
